

5 WEDDING TIPS & TRICKS

- 1.) Set up a [wedding email](#) that both have access to. Use it to sign up for all your wedding needs so that you don't flood your personal ones with wedding woes.
- 2.) Learn about how and where to acquire your [Wedding License](#). When filling it out it must be near perfect with no signatures outside the box parameters, no smears, or taco stains; they will be returned. (we love tacos)
- 3.) [Reviews in real life](#). Don't just trust the online 5 star reviews ask other wedding vendors about the pro you're looking to book.
- 4.) [Chaos Control](#). When it hits the fan you need vendors that are comfortable stepping out of their "normal duties" to get THINGS DONE. Wedding Photographers whom have sowed a torn bustle. Wedding DJs whom have passed out champagne bottles. Wedding Coordinators who bring you IN-n-OUT (ALL REAL EXAMPLES BTW).
- 5.) Enjoy the day. You're planning for over a year for a 10-12 hour event, there will be some hiccups but in the end [remember your WHY](#). Who's Heart's Yours?
